

Jarold Direcional

Designed in 2007

shown in Polished Chrome with metal blades and decorative cage

shown in Polished Copper with wood blades

	Safety cage compatible
	Suitable for Damp Location**
	Proudly Assembled with American Labor
	Handmade

Unique and versatile, the fan head of the Jarold Direcional ceiling fan can be infinitely positioned in a 180-degree arc, forward and reverse, to provide maximum, directional airflow. The Jarold can be hung in small, awkward spaces or in front of HVAC ducts to make more efficient the heating, ventilation or air conditioning of any room.

- Constructed of cast aluminum, heavy spun and stamped steel.
- Each unique motor mount and fan head knob is made of genuine marbled Bakelite.
- Limited Lifetime Warranty
- The Jarold Direcional is available with the following blade options:
 - metal fan head with decorative metal blade guards
 - solid, ecologically harvested mahogany fan head without blade guards
 - metal fan head with metal safety cages for use in low ceiling applications (7 ft in US / 8.2 ft in Canada)
