

Bianca Direcional

Designed in 2000

	Safety cage compatible
	Suitable for Damp Location**
	Proudly Assembled with American Labor
	Handmade

Shown in Brushed Nickel with metal blades and decorative cage

shown in Black with wood blades

Unique and versatile, the fan head of the Bianca Direcional ceiling fan can be infinitely positioned in a 180-degree arc, forward and reverse, to provide maximum, directional airflow. The Bianca can be hung in small, awkward spaces or in front of HVAC ducts to make more efficient the heating, ventilation or air conditioning of any room.

- Constructed of cast aluminum, heavy spun and stamped steel.
- Each unique motor mount and fan head knob is made of genuine marbled Bakelite.
- Limited Lifetime Warranty
- The Bianca is available with the following blade options:
 - metal fan head with decorative metal blade guards
 - solid, ecologically harvested Brazilian mahogany fan head without blade guards
 - metal fan head with metal safety cages for use in low ceiling applications (7 ft in US / 8.2 ft in Canada)
